

PROJECT ACCESS ANNOUNCES

BEHAVIOR TECHNICIAN TRAINING

Our free, online Behavior Technician Training course is designed to equip participants with the essential skills, evidence-based strategies, and ethical foundations needed to provide high-quality behavioral support. Developed by experienced BCBAs, this course provides curriculum that can be augmented by a local BCBA for candidates who want to sit for the RBT exam.

RBT LICENSURE OPTION

- School must provide their own BCBA as Responsible Trainer
- Training meets the BACB 2026 task list
- Project ACCESS will provide a copy of the online workshop and host it on our LMS for participating schools

NON-LICENSE OPTION

- Great for Para-educators
- Good coverage of ABA principles
- Free to schools
- Completely online
- Loaded with videos and exercises

**Online Training
Anytime Anywhere**

**Free to Missouri
schools**
